

WELCOME to 6th Grade!

This year, you will have 6 classes: Language Arts (Olds-McKinley), Math (Bunek), Science (Garrett), Social Studies (Trowbridge), and two elective classes (PE, Band, Choir, or Wheel). You will receive your schedule and locker assignment at Open House. More details about open house will be sent later in the summer as we get closer to the beginning of the 24-25 school year.

You will have a locker to hold all of your school supplies. You will have four minutes between each class to go to your locker, fill up your water bottle, and to use the restroom. If you have PE, you will need to remember gym clothes and shoes everyday. If you are in band, you will need your instrument everyday and should bring it even on the first day of school. We have a short recess around lunch time, so please come prepared for the weather.

YOU WILL NEED:

- (1) 1/2 inch binder for social studies with lined, loose leaf paper
- (1) 1 inch binder for language arts
- (1) 1-1/2 inch binder for math
- spiral notebooks for math (2) & science (3)
- (8) glue sticks for science
- (1) reusable water bottle

PENCIL POUCHES:

We would also like students to have ONE sturdy pencil pouch/case that includes:

- Lots of pencils
- Cap erasers
- Highlighters
- Whiteboard markers
- Colored pencils

- Handheld pencil sharpener
- (1) pair of earbuds/headphones

Optional Extras:

Tissues, hand sanitizer, and anti-bacterial wipes are not required but are needed throughout the year. Any donations would be GREATLY appreciated!

Thank you! We look forward to a great year!

Mrs. Bunek, Mrs. Garrett, Mrs. Olds-McKinley , and Mrs. Trowbridge
